Who We Are

Polystar Industries (LLC) is a leading plastic packaging manufacturer based in Dubai, UAE. Founded in 2004 in the Jabel Ali Industries Area, we have grown from a specialized workshop into a globally recognized packaging innovator.

With state-of-the-art machinery and a dedicated engineering team, we deliver premium plastic packaging solutions across cosmetics, food & beverage, pharmaceutical, automotive, and industrial sectors.

Our commitment to quality is backed by internationally recognized certifications including ISO 9001, GMP, FSSC 22000, and HACCP — ensuring every product meets the highest standards of safety and excellence.

Today, Polystar serves clients across key global regions, pushing the boundaries of what is possible in sustainable material science and innovative packaging design.

Our Mission

To deliver premium plastic packaging that combines innovation, sustainability, and quality without compromise.

Our Vision

To be the world's most trusted plastic packaging innovator, leading the transition to a sustainable future.

Industries We Serve

Precision packaging solutions across key global sectors

Quality Without Compromise

01

Food & Beverage

FDA-compliant packaging for sauces, beverages, oils, dairy, chocolate, and more. Wide range of gallons, bottles, and specialized containers.

02

Cosmetics

Premium packaging for lotions, creams, serums, petroleum jelly, and personal care products. Available in PP, HDPE, and PET. IML labeling options available.

03

Automotive

Durable, chemical-resistant containers for lubricants, coolants, and automotive fluids. Designed for performance under demanding conditions.

04

Medical & Pharma

GMP-certified packaging for pharmaceutical products, meeting the highest hygiene and safety standards in the industry.

05

Technical Parts

Custom injection-molded components for industrial applications, manufactured to precise engineering specifications.

Trusted by Global Brands

A portfolio of world-class clients across diverse industries
